Feed Reader Testing

REVIEW

CODE REVIEW 3

HISTORY

Meets Specifications

Great work so far by applying the required changes 

Congratulation on completing this project 

Test Coverage

- ✓ The required tests for the project (`RSS Feed` testing, `RSS Feed` properties, menu default state, and menu hiding/showing) are all provided and are comprehensive enough to adequately test the functionality.

Tests should be independent of one another.

- ✓ All required tests for the project pass.

Documentation

- ✓ A `README` file is included detailing all steps required to successfully run the application.

- ✓ Comments are present and effectively explain longer code procedures.

- ✓ Code is formatted with consistent, logical, and easy-to-read formatting as described in the [Udacity JavaScript Style Guide](#).
